

NI Test Forums Nordics - Stockholm!

Join us for NI Test Forum Nordics 2025, a full-day event taking place in **Stockholm**, dedicated to exploring the latest in NI hardware and software. Connect with industry experts for hands-on and technical sessions on test automation, real-time data acquisition, and system flexibility. Explore NI platforms like PXI, CompactDAQ, and mioDAQ, through live demos. Learn about the latest Aerospace and Defense advancements, including rack-based ATE and RF solutions for SatCom, radar, and electronic warfare. Gain insights into scalable test systems that handle growing datasets, deliver fast results, and drive efficiency across your organization.
